Urban Compost Project

Food Scrap Pickup and Composting Service

May 2021

BASIC TERMS AND CONDITIONS

1. Urban Compost Bali will provide bucket for accommodating food scrap produced by subscriber. The bucket is 8 Liters and come with the lid. Once they are picked, Urban Compost Bali will give as many as clean bucket taken.
2. The bucket remain the property of Urban Compost, is under responsible of the subscriber.
3. All food scrap can go in to the bucket, without exception. Please contact admin if there is any question.
4. However, together with all non-organic materials (plastics, papers, glass, etc.), we cannot allow any **tissue paper** go in to the bucket.
5. Number of bucket provided will be based on request by subscriber. Thus, you need to rough estimate how many food scrap generated per day.
6. There are some plan packages of price based on your location:

No	Location	Basic Monthly Rate (with one bucket)	Extra bucket
1	Canggu (Batubolong, Berawa, Babakan) and Buduk	Rp 50.000	Rp 25.000/bucket
2	Padonan, Tumbak Bayuh, Pererenan, Munggu, Cemagi, Bumbak, Anyar Kelod, Umalas	Rp 70.000	Rp 25.000/bucket
3	Kerobokan, Seminyak, Petitenget, Nyanyi	Rp 100.000	Rp 25.000/bucket

7. Pickup will be done once a week. Pickup day will be noticed in the beginning of service through email/whatsapp.
8. Payment should be made in advance for minimum 3 months upfront.
9. The next payment should be paid on 25th after the 3 months.
10. The finished compost, up on request, will be given back to subscriber as many as **5 kg** (or more if available). Otherwise, can be donated to local farmers, community's partner or local school.
